Advanced Placement Information

Students that enroll in Honors level courses during their Freshman, Sophomore, and Junior years are better prepared for Advanced Placement (AP) courses during their Senior year. Students need to obtain a signature from the AP course instructor to be considered for enrollment in their course. Meet with the course instructor to discuss the course and its expectations. Students that are interested in taking AP courses this year, need to decide which courses they are interested in taking and discuss those options with their parents. Upon deciding, do not mark a class on the front of this registration form when you submit for your schedule. Instead, fill out the information below and set up a meeting with the AP course Advisor. An individual conference may be scheduled with the student, their parents, and previous teachers if appropriate to discuss the class expectations and benefits.

Advance Placement Courses (may include but are not limited to)

AP English Literature & Composition

AP English Language & Composition

AP US History

AP US Government & Politics

AP Chemistry

I would like to enroll in an Advanced Placement course/s. I would like to schedule a meeting regarding the following course/s:

AP _____

AP course instructor _____

AP _____

AP course instructor _____

Student Signature _____
